Greetings, Christine:

Thank you for coordinating the conference call with Geomatrix regarding the Pechiney site.

On a related subject, I would appreciate you providing me with contact information (phone number and e-mail address) for the City of Vernon representative(s) involved with the development of the Pechiney site. In addition, please provide me with the e-mail address for the Geomatrix representatives that participated in the March 5 conference call concerning the Pechiney site. And finally, do you know if the land that housed the former Pechiney site is being purchased or was purchased by the City of Vernon? I would appreciate knowing that information too. I appreciate your prompt reply to this message. Thank you.

Regards,

Carmen
